

Summer 2010

Dollars & Sense

Message from the President's Desk

Dear Members,

Many exciting things are happening at your credit union. As you may already know, in early June, Hamden Federal Credit Union agreed to merge with us and we welcome their 1,800 members. The merger was completed on June 30th and consolidation of back office operations will occur over the summer and into the fall. The combined credit union has over \$70,000,000 in assets and over 12,000 members, with four offices and the resources to serve you for many years to come. The ATM and Drive-up Teller at the Sanford Street location are near completion and the renovations of the main office will start later this summer. We will be adding a new checking account product and modifying our money market accounts so watch your mail for information on these important changes.

I hope all of you enjoy the summer. Please remember that we are here to serve you and appreciate your comments and suggestions on ways to improve your credit union experience. I look forward to hearing from you.

Thank you for your continued support.
Mike

COMMUNITY OUTREACH

Wepawaug Partners with Junior Achievement

On May 6, 2010, Wepawaug-Flagg employees participated in Junior Achievement Day held at the Race Brook Elementary School in Orange, CT. Shanita Alston and Jennifer Little-Greer of the Wepawaug team taught Junior Achievement activities to one of the 2nd Grade classes. Pictured to the right is Shanita explaining the benefits of working together in an assembly line versus working alone.

What is Junior Achievement?

Junior Achievement is a worldwide partnership between the business community and educators, where businesses volunteer their time and resources to teach children the concepts of financial literacy, work readiness and entrepreneurship. JA's main objective is to teach children how to dream big and reach their goals.

If you are interested in Wepawaug-Flagg coming to your school for Junior Achievement Day during the 2010 – 2011 school year, contact Jennifer Little-Greer at (203) 288-1695.
