

Merger Update, July 22, 2015

Wepawaug Flagg Federal Credit Union is excited to announce its merger with United Shoreline Federal Credit Union. This merger will allow members of United Shoreline Federal Credit Union to become a part of Wepawaug- Flagg Federal Credit Union with access to additional branch locations. At this time we are asking members of both credit unions to continue using existing phone numbers and branch locations that they are accustomed to because the data processing system will not be combined for several months. You will be receiving many communications over the next few months which will provide you with the information to make the transition smooth; please read all messages as they will keep you informed about the changes.

For questions related to the merger, please refer to our website as well as postings outside of branch locations as they address common concerns.

Thank you for your cooperation; we will see you at WFFCU!
